

BELLA

GRACE

2023

Sauvignon Blanc Amador County

Blend:	100% Sauvignon Blanc
Vineyards:	The 2023 Sauvignon Blanc vintage combines two sourced vineyards: the Linsteadt Vineyards and Rancho Victoria vineyards in the Shenandoah Valley of Amador. The blocks from the Linsteadt vineyards are an excellent combination of the old vine and younger vines, while Bella Grace receives the first choice among the blocks from the Rancho Victoria vineyards. The benefits of both vineyards speak through to the wine's final balance and help provide body, style, complexity, and friendliness across the palette without the limitations of a single vineyard profile.
Winemaking :	We process these grapes whole-cluster and age them in our stainless steel tanks for 4 months.
pH:	3.37
TA:	5.5
ABV:	13.5%
Cases Produced:	2,500
Tasting Notes:	The nose starts with light floral notes, and the color in the glass is so faint it is almost nonexistent. The first taste is reminiscent of tropical fruit but ever so lightly. After that, it is a smooth, refreshing flavor. The finish is soft with a hint of sweetness.
Pairing Suggestions:	Chicken, Pork, Fish, Shellfish, Ceviche, Roasted Asparagus, Bruschetta, and most cheeses
